	13:30 - 15:30	Lunch & Break	Lunch & Break	Lunch & Break	Lunch & Break	Lunch & Break	
	15:30 - 16:30	David Quéré Moving interface II: Self-propelling drops	Andrea Prosperetti The average stress in particle laden flows	Christophe Clanet Wetting and Splashing II	Anette (Peko) Hosoi Locomotion at low Reynolds number II	Jerry Gollub Stretching, Droplets, and Instabilities in Non-Newtonian Flow: The Role of Viscoelasticity	
Arrival, 16:00 room assignments put up posters	16:30 - 17:00	Coffee	Coffee	Free	Coffee	Coffee	
	17:00 - 18:00	Andrea Prosperetti The physics of vapor bubble	Detlef Lohse Turbulent Rayleigh Benard convection		Gareth McKinley Extensional Rheology of Complex Fluids	Sigurdur Thoroddsen Drop impact and splashing	
Dinner, 18:00	18:00 - 18:30	Barbecue dinner & Party	Dinner & Break	Dinner	Dinner & Break	Dinner & Break	
Welcome 19:00	20:00 - 21:00		Anette (Peko) Hosoi Locomotion at low Reynolds number I	Tour of Louisiana	Sigurdur Thoroddsen High-speed imaging of drops and bubbles	Gareth McKinley Beads on a String and Capillary Thinning of Polymer Solutions	
David Quéré, 19:30 Moving interface I: Wicking	20:00 - 21:30						Tea & cookies
Beer & posters, 21:00	21:30 - ???
